

No Greater Love

|G |C/g | G |C/g | (+repeat)

Verse 1

G C
There's no place but heaven for you.
G C
Strangers to your face are lost and in the dark.
G C
I can't see my road, I'm blinded,
G C
Blinded by the silence in the dark,

Chorus C D
I see you,
C G D
Writhing in your glass cage,
C Asus2
Teasing with your innocence.

Verse 2

Will you share your warmth around me?
Can you see the sparkle glistens in my eyes from you?
I can feel you drifting through me.
Suddenly my senses are renewed,

Chorus C D
I see you,
C G D
Writhing in your glass cage,
C G D
Teasing with your innocence.
C C/b Asus2
Laughing at my change in game.

Verse 3

I can feel the transformation,
Altering my wave length, to coincide with yours.
Floating through a haze of rainbows.
Distanced from the world that went before,

Chorus C D
I see you,
C G D
Writhing in your glass cage,
C G D
Teasing with your innocence.
C G D
Laughing at my change in game.
C C/b Asus2 E
Leaving all my thoughts behind,

Outro: E C D E
There is no greater love than that I feel with you...
